

How to make a cotton ball snowman ornament

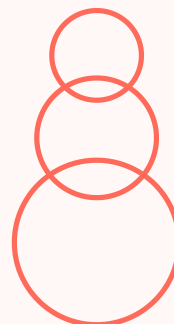

Five steps. You need cotton balls, white glue, googly eyes, a marker, ribbon and string.

1

Gently pull cotton balls into three sizes: big, middle, small.

2

Glue them in a stack with the biggest at the bottom.

3 **Face**

Stick on googly eyes, draw a carrot nose and a smiling mouth with a marker.

4

Tie a ribbon around his neck for a scarf.

5 **Hang it**

Glue a loop of string to the back and hang it on the tree.
